# Arrival in Addis Ababa and City Tour

We will visit the National Museum home to many incredible archaeological treasures including the famous Lucy, a tiny human believed to have lived over 3 million years ago. See this incredible fossil close-up and take in the other unique exhibits that tell much of the story and history of this incredible country.

We will have the opportunity to see Merkato Market, largest open-air market in Africa. Wander through the stalls and see local craftsmen making traditional baskets and other unique items. The colors, smells, and energy of the market are unforgettable!

Ascend Mount Entoto and see panoramic views of the city from the top of the mountain. This incredible view offers a unique perspective of the sprawling beauty of Addis Ababa.

Visit Holy Trinity Cathedral, the main cathedral of Ethiopia's orthodox church and the burial place of the last King of Ethiopia, Haile Selassie.

**DAYS 4-6:**

## **Travel to Ghana and begin Accra City Tours**

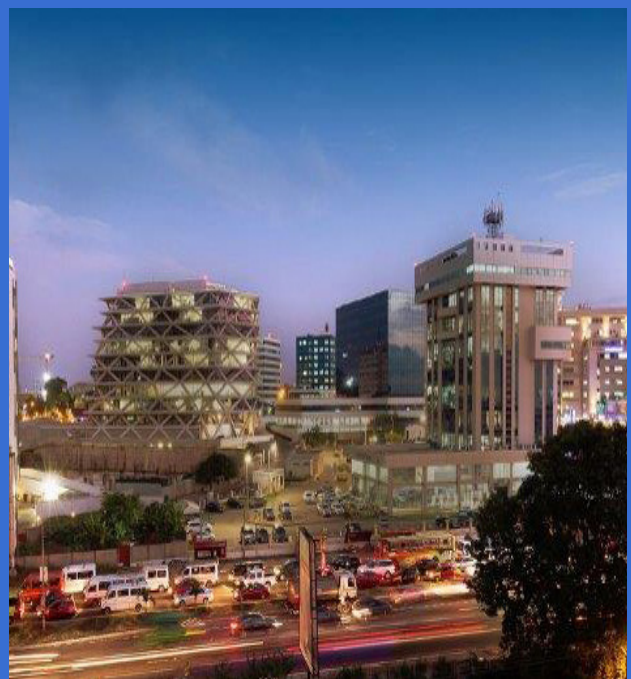

We will visit Independence Square (where Ghanaians celebrate the nation's Independence Day each year); and stand under Black Star Square which is a monument to the Black Star of Ghana, which Dr. Kwame Nkrumah, Ghana's first Prime Minister adopted in tribute to Marcus Garvey.

Tour members will visit the Kwame Nkrumah Mausoleum, which is the final resting place of the first President of Ghana and one of Africa's most renowned Statesmen and Pan-Africanists; and the W.E.B. DuBois Memorial Center for Pan-African Culture, which is a research library and gallery containing the invaluable manuscripts of Dr. W.E.B. DuBois.

We will drive through the commercial districts of Accra and see the amazing development and growth of Accra; and stop at points of interest as we crisscross through Accra, one of the most vibrant and exciting cities in Africa.
