Travel to Egypt and Experience the Magic of Cairo and the Pyramids

Visit the Great Pyramids, at Giza, which includes the Pyramid of Khufu, which is the largest pyramid ever built. Walk right up and have a close look at the Sphinx, a huge funeral complex guarded by the legendary lion body with the face of King Chephren.

Visit the Egyptian Museum of Antiquities, where over 250,000 artifacts illustrating over 5000 years of Egyptian history and art are displayed.

The exhibits at the Egyptian Museum include an exhibit dedicated to the King Tut collection of treasures. This gold and jewelry were enclosed in his tomb for over 3,500 years before it was discovered in the 1920's when his tomb was excavated.

DAYS 4:

Fly from Cairo to Luxor and Explore the Ancient Temples

Go inside the ancient Temple of Karnak and the Temple of Luxor. Stroll through the famous Temple courtyard and stand under the colossal granite statue of Ramses the Great with his queen Nefertari standing between his knees.

DAYS 5-8:

Enjoy an unforgettable Four-Day Cruise on the River Nile

See breathtaking views while you cruise on this famous ancient river. You will be assigned comfortable rooms that will allow you to relax and enjoy this once in a lifetime experience making stops each day on the cruise at places you have only read about and seen in movies, including: the Valley of the Kings, Nubian Egypt, the Colossi of Memnon, and the Temple of Queen Hatshepsut at El Deir El Bahari.

Visit the Temple of Horus in Edfu, and the Temple shared by the two gods Sobek and Haroeris. See the High Dam of Aswan and the Temple of Philae.

After each day of tours, we will return to the boat for dinner and a leisurely evening of cruising on the Nile River.

See the Temples of Ramses and Nefatari and tour the city built by Alexander the Great. Visit the colossal Temple of Abu Simbel, built by Ramses the Second and the Temple of Nefatari, the king's wife.

DAY 9:

Enjoy a free day at your hotel

On this day you will have a free day to rest, relax, and enjoy the hotel amenities, do additional shopping, have a spa day, or do nothing at all!

DAY 10:

Egypt: Land of Black Pharaohs

We visit the Nubian Museum to explore Nubian Egypt, focusing on Egypt's Black roots and its ties to Nubia.

Many historians and archaeologists argue that ancient Egypt was predominantly a Black civilization, populated by Sub-Saharan Africans. Research shows that ancient Egyptians once called the land of Egypt and the entire African continent Kemet, meaning "land of the black people."

Research also shows that many early Pharaohs were Black, with close examination of many royal mummies revealing dark brown skin tones.
